Year 6 – Spring 2

English

In reading , we will continue to develop our skills of inference and deduction by reading a range of different texts.
We will concentrate upon spelling and grammar.
Novel– Once by Maurice Gleitzman
We will write Non-Chronological Reports linked to our work in Geography.
We will write reports about places visited in the novel.

SATS PREPARATION

Numeracy

We will begin with shape and area and perimeter and move on to Ratio and Statistics..
We will then return to calculations within a range of contexts. We will build our confidence in the format of the SAT tests by visiting question types and applying our understanding across a range of contexts.

Science

We will explore microbes, including bacteria, fungi and viruses, and understand their roles in our lives and the environment. We will learn how living things are classified into groups based on their characteristics and use classification keys to identify and organise different species.

Computing
Manipulating images

In this unit, the children will investigate a range of different artistic styles and how they can be recreated using digital art tools. Digital sculpture is also looked at and combined with photo editing.

RE
Desert to Garden

In this branch children will: Follow the Passion Narrative of John's Gospel, introduced by the anointing of Jesus feet in Bethany and His washing of His disciples' feet a few days later, and concluding at the foot of His Cross with His mother and the disciple whom he loved; explore the meaning of Jesus washing the disciples' feet, being sacrificed on the cross, and inviting HIs mother to adopt His followers; recognise the importance of the Chrism Mass and the Mass of the Lord's Supper on Holy Thursday; and, the importance placed by Christians over the centuries on the Stations of the Cross, as pilgrimage, remembrance and devotion.

PE

We will be working on our invasion games this half term, looking at football and quidditch!

Latin

Chapter 4 – The Best Days of your Life
Children learn about Roman school life and consolidate previous learning of nouns, verbs and adjectives. They continue to look at Latin roots.

Art, Design and Technology

Cooking and nutrition: come dine with me
The children will be developing food preparation and evaluation skills by researching and preparing a three-course meal

PSHE

.
Module 2: Created to Love Others continued.

- **Created to Love Others explores the individual's relationship with others. Building on the understanding that we have been created out of love and for love, this module explores how we take this calling into our family, friendships and relationships, and teaches strategies for developing healthy relationships and keeping safe both online and in our daily lives.**

Music

You've Got a Friend. Carole King
