

STATEMENTS TO LIVE BY

'Experience a sense of belonging within a range of communities, including the local Eucharistic Community, and play an active role as members of society'

Please use the activity below to help support the statements we will use together over the next four weeks.

- **I try to love others as I love myself**
- **I try to follow our school and classroom rules**
- **I know I belong in a community that includes my school**
- **I know we are happiest when we are united**

These are some of the ways we are expected to behave in our home

Please talk with your child about the rules or expectations the family follow at home. An example might be: 'We should take our shoes off when we come into the house'. It is OK to draw a picture
There is no need to return this to school.
